Entrust your valuable equipment to the skilled staff of Janeway!

The history of Janeway reflects uncompromising standards of excellence. And today's towing and transport brings this into the 21st century with the best in training, equipment, and dedication to service. We know you have choices, so we have to excel at our profession to earn your business. And we do!

Light Duty Towing: Ready 24/7. Correctly secured on every tow our light duty carriers run the east coast. Using Janeway for short equipment hauls saves you man-hours, liability, and wear and tear on your in-house trucks. Our drivers all receive training from industry-approved and certified instructors. Our safety record means lower operating costs, passed on to you. ♣

Medium Duty Towing. Let Janeway handle your routine and emergency truck towing and transport. Our efficient dispatching system gets help to you anywhere in Philadelphia, southern New Jersey, and throughout the mid east coast. ♣

Heavy Duty Towing. Janeway has the muscle when heavy lifting is needed. Precision controls operate even powerful lifting and towing equipment like this with perfect placement. (see inset photo) ♣

Heavy Haul. Let Janeway Towing safely move your heavy equipment to the next job site or anywhere on the east coast. ♣

Air Cushions.

Janeway operates a special recovery trailer equipped with every type of emergency equipment our customers might need. No waiting for reinforcements when an emergency occurs. ♣

Road Service. We specialize in *saving your day*. Our skilled roadside service crews are dispatched fully equipped with mobile welding and parts for cars, trucks and heavy equipment. If a roadside repair is not possible, you will be towed to the repair facility of your choice. ♣

Recovery. Investing in the best equipment on the market allows our trained crews the margin to operate safely and efficiently with no further damage to downed equipment. ♣

Janeway specializes in nationwide salvage transport of heavy trucks and equipment.

Three generations of service to law enforcement and our community.

Secure indoor and outdoor facilities for law enforcement impounds.
